

Topic: About the Transit Rules of Israel **Updated**

Dear Partners,

Transit rules of Israel has been updated.

Passengers who want to use international transit area in Israel can only transit through terminal 3 provided that their connection flight in minimum 3 and maximum 24 hours. Passengers who has check in baggage and do not have an online check-in for their final destination are not allowed to use transit from Israel.

Israel flights that depating from AYT and DLM are landing at Terminal 1 for this reason passengers must enter Israel. Therefore, international transfer passengers who come from the relevant destinations should not be accepted.

You are kindly requested to show attention to the rule.
