

Topic: About Pre-Checks for Connecting Saudi Arabia Flights

Dear Partners,

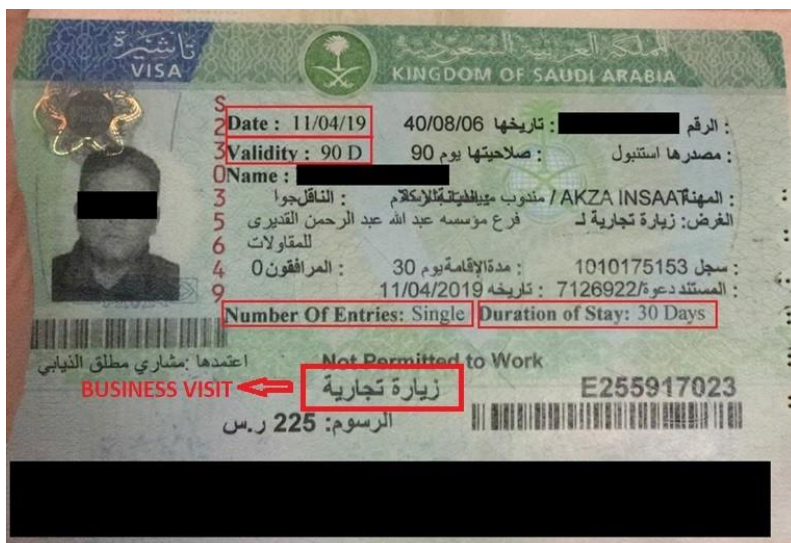

Dated **June 20th 2023**;

On **JED (Jeddah)-MED (Medinah)-DMM (Dammam)-RUH (Riyadh)** flights that we operate as **Pegasus Airlines**, we have passengers whose starting point is your station. Before accepting the passengers on **Saudi Arabia** flight, we kindly request that the documents are **checked carefully** and the **attached presentation is examined** and that the passengers who do not meet the travel rules are not accepted to the flights.

Mistakes made so far are generally incorrect admission of **visa types not accepted** during the **Hajj season to JED (Jeddah) and MED (Medina)** stations. We share with you the most common examples of visas that are not accepted at the JED (Jeddah) and MED (Medina) stations during the Hajj season to make it easier for you to compare visas due to the language difference.

For your convenience, you **can find examples of visas that are not accepted** for certain types of **JED (Jeddah) and MED (Medinah) flights**.

**We ask for your cooperation on the subject and wish you good work.
Please acknowledge receipt of this e-mail.**
