

Topic: About Passport Validity Rule for Turkiye

Dear Partners,

We would like to remind you of the passport validity rule applied when entering Turkiye.

The passport validity of passengers who want to travel to Turkiye must be **more than 150 days**. If the passport validity **between 61-150 days**, the passengers must pay penalty on arrival to enter to Turkiye. If the passport validity **less than 61 days**, the passengers are not allowed to enter to Turkiye. We kindly ask you to follow the Timatic rules for this rule. You can find on attached is a presentation with all details for entry to Turkiye and you can access the direct link for Turkiye MFA website.

Thanks in advance for your cooperation.
