

Topic: Algerian Visa Exemption

Participants in the Arab Sports Games 2023 traveling on ITA Airways flights to Algeria who may normally require a visa for entry may also enter without a visa for a limited time (05.07.2023 – 15.07.2023) if they are also in possession of an accreditation document issued by the High Organizing Committee of the Arab Sports Games. See below official communication from ITA Airways. Example on page 2.

Gentili colleghi,
come da comunicazione del Ministero dei Trasporti Algerino, in occasione dei Giochi Sportivi Arabi 2023, in programma **dal 5 al 15 luglio 2023** in Algeria, sono state adottate misure eccezionali per facilitare l'ingresso dei partecipanti ai giochi in Algeria.

A tal fine, l'allegato documento di accreditamento rilasciato dall'Alto Comitato Organizzatore dei Giochi Sportivi Arabi ai partecipanti a questo evento sportivo internazionale sostituirà il tradizionale visto d'ingresso in Algeria, limitatamente al periodo in cui si terranno i giochi.

Pertanto ai passeggeri che ordinariamente avrebbero bisogno di visto per l'ingresso in Algeria dovrà essere comunque garantito l'imbarco, se in possesso di questo documento e sprovvisti di visto.

Cordiali saluti

*Dear Colleagues,
as per communication of the Algerian Ministry of Transport, on the occasion of the Arab Sports Games 2023, scheduled **from 5 to 15 July 2023** in Algeria, exceptional measures have been taken to facilitate the entry of participants in the games into Algeria.*

For this reason, the attached accreditation document issued by the High Organising Committee of the Arab Sports Games to participants in this international sporting event will replace the traditional entry visa to Algeria, limited to the period during which the games will be held.

Passengers who would ordinarily require a visa for entry into Algeria must therefore be allowed boarding, if in possession of this document and without visa.

Best Regards
