

Topic: ITA Airways American Express

Starting from 11th July ITA Airways will introduce a partnership with American Express.

The partnership consists in issuing new co-branded credit cards:

- ITA Airways American Express
- ITA Airways Gold American Express
- ITA Airways Platinum American Express

Each card has different advantages with both parties (ITA Airways and American Express) as well as different Volare accelerations for accrual of points.

Supplementary co-branded credit cards

The co-branded supplementary cards are additional cards issued to persons chosen by the holder and whose transactions are recorded and earned in holder's account. These cards are not associated to a Volare club.
