### **On International flights; (e.g FRA-SAW or FRA-SAW-AYT or FRA-SAW-HRG or FRA-SAW-ECN)**

- Oversized or overweighted cabin baggage should be charged per piece regardless of checking hold baggage allowance.
- It is valid for all package types. (Basic/Essentials/Advantage/Comfort Flex)
- Payment must be completed by using **GAXB SSR**.
- The fee for 1 piece of oversized or overweighted cabin bag has been revised to **50 EUR (instead of 70 EUR)** for all routes. Each piece should be charged individually.
