

Topic: In Cabin Live Animal Acceptance Checklist

Dear All

Pegasus Airlines has their 'In Cabin Live Animal Acceptance Checklist' from now as well. Blank forms are available for your use in the check-in cupboard.

When ever you have a passenger with a PETC, passenger must fill the form out and it must be signed by both the passenger and you accepting the PETC.

The form needs to be filed and kept on station together with the gate report for 3 months.

Best regards,

Norbert
