

## Topic: About The Dammam Transfer Rule

Dear Partners,

We would like to inform you about the Dammam transfer rule.

The passengers who have **an onward flight with Indigo airlines via Dammam (DMM) cannot use transfer** and must enter the country. Therefore, the passengers who do not meet the Saudi Arabia entry requirements will not be accepted to the relevant flight.

The passengers who continue with airlines except Indigo Airlines will be able to use transfer if the onward flight is within 12 hours and there is no check-in luggage.

If the passenger's onward flight is within a limited time, please contact the [@PEGASUSVISA](#) team.

We kindly request your cooperation in order to avoid any problems related to the subject.

**Kind Regards**
