

Topic: LFI Saudi Arabia / Residence Card

As everyone know, the visa regulations regarding Saudi Arabia are complicated, that's why we need to be careful about all cases with E-Visa and residence permit card. The rule is simple. If a passenger is showing you a Tourist Visa depending on which passport the passenger has needs a permanent residence card (unbefristeten Aufenthaltstitel). To make sure everything, please ask the visa team or lead agent.

It's also written in the E-VISA, the passenger undertakes to have a permanent residence card. If the passenger does not have a permanent residence card, then we need to deny the passenger.
