## Topic: Saudi Arabia Umrah Visa Restriction

Dear Partners,

**Passengers want to travel to Saudi Arabia with an Umrah visa will not be accepted after May 22, 2024.**

(Umrah visas can be accepted for flights with an arrival date of May 23, 2024.)

To avoid any disruptions, we kindly request that the visa type checks for passengers on the relevant flights be carried out carefully.

Thank you in advance for your attention and cooperation.

**Please be aware, HAJJ season is starting from the next week. Always double check the visa for Saudi Arabia. Always ask your Lead Agent or the Visa Team.**

**Thanks!**
