Topic: ITALY will close its internal borders 05JUN - 18JUN 2024 - passports/IDs must be checked and API-data collected on all HEL-ITALY flights

FYI the update ref ID cards when travelling to Italy:

Passport/ID card info needed for Italy

- Italy's internal Schengen borders will be temporarily closed 05JUN – 18JUN24 due to security reasons
- Passport/ID data will be collected for all passengers travelling to Italy during this time
- ID card information needs to be entered manually to Altea – swipe will change the source of date to passport

Latest information from the Italian authorities:

Passengers arriving from Schengen Member States will be allowed to use the automated border control kiosks (e-gates) on arrival in Italy, provided their passports are biometric (e-passports containing a chip).
